ABOUT ME

A computer science and media arts student inspired by the rapid advancement of technology in media to bring stories to life through innovative and novel methods. Keen to explore the intersection between cinema and games to scratch that childhood itch of game development while exploring the wilderness of creative media.

WORK EXPERIENCE

○ Nov 2023 - Feb 2024
Atlassian | Sydney, NSW

Software Backend Developer Intern

- Migrated backend systems for Atlassian's product, Atlas, to maintain code hygiene and improve the pipeline
- Participated in daily team meetings and actioned constructive feedback to ensure best practices and standards

○ July 2023 - Nov 2023
